

## *ADOPTION'S SACRED STORY*

### **Bonus Listening Guide**

As you listen to this podcast, we encourage you to consider the following questions:

- How has adoption touched your life, or that of someone you know? What part of that story do you wish others could hear?
- Have you ever given thought to your responses to other people's sacred stories? Why is this so critical?
- Why is it important to have people in our life who "get" us? What happens when we don't?
- Have you ever faced a challenge that required you to be "willing to be misunderstood?" How did you react? How do we "bear in love" with those who don't understand our story?
- Do you agree with Pam that we are all just ordinary people invited by God to take part in a remarkable story? What has that invitation looked like for you? What was your response? Have you ever been amazed by what can happen once we say "yes" to God?
